CEDAR CITY, UTAH – Yesterday, at 3:19 p.m., the Summit Fire was ignited. The location of the fire is 10 miles north of Cedar City, Utah, and east of I-15. The fire is burning on private lands. The fire is approximately 198 acres.

8 engines, 1 water tender and 3 hand crews are working the fire. Air resources were not needed today. Today, crews are focused on mop-up operations for the interior of the fire.

This fire is burning in multiple agency response area. Agencies on scene include Forest Service, Bureau of Land Management, and State of Utah.

Those who are enjoying our public lands, please remember this advice when building and enjoying campfire in designated campground fire pits:

- Keep a bucket of water and a shovel nearby.
- Never leave a campfire unattended.
- When putting out a campfire, drown the fire, stir it, and drown it again.
- Be careful with gas lanterns, barbeques, gas stoves, and anything that can be a source of ignition for a wildfire.
